#### REMOTE SERVICE PROVIDER

Companies that often operate in specifically formidable environments, such as remote locations, hostile surroundings or offshore regions, often have specific wants in terms of accommodating health and safety matters. We can guide corporations on and evaluate the risks involved with operating in difficult worksites, provide a long range of remote-site services to help create a safe work atmosphere for your staffs and prepare them for the job.

In assistance with you, our team of experts helps evaluate the prospective site's medical and safety risks via online intelligence and site visits. Based on this information, our experienced professionals will make recommendations regarding medical staffing, equipment and the specific remote-site clinical operation. This includes training, deployment, staff management as well as clinical treatment guidelines, SOPs and clinical support functions.

#### EXPERIENCE

- Remote Camp Construction
- Conference and Meeting Facilities
- Road Works
- Provision of Water & Sanitation Works

#### TELECOMMUNICATION TOWERS

BMI is an installer of communication towers in Various regions of East Africa. Telecommunication towers are used for hosting microwaves, radio links etc. All the wireless communication, mobile networking, radio broadcasting and television antennas are connected via these towers.

These towers are also used for radar systems and other military telecommunication purposes.

#### EXPERIENCE

- Fixed line telecommunication
- Backbone and uplinking requirements of mobile operators
- System integrators
- Power utilities
- Labeled cables for OEM supplies

### **MACHINERY AND EQUIPMENT:**

We have an extensive fleet of machinery and equipment including the following:

TLB's

Bulldozers

Excavators

Graders and Rollers

Low Bed trucks

Crew Trucks / Small Tippers

Crane Trucks

Transit Mixers

Concrete Batching Plant

Crushing plant

Comprehensive range of small plan

Please note that if we do not currently have the equipment that is required for your project, we will hire it for the duration of that project at discounted prices and these savings are passed on to the customer. Equipment is available for hire subject to availability. Please contact us with your requirements. It is the combination of these

capital resources and our valuable human resources that enables us to deliver a successfully completed project on budget and on time.

### **ELECTRICAL INSTALLATIONS:**

Brick & Mortar Investments Ltd provides electrical installations and the maintenance of overhead low-voltage and high - voltage power lines.

Due to the increasing demand for renewable energy,

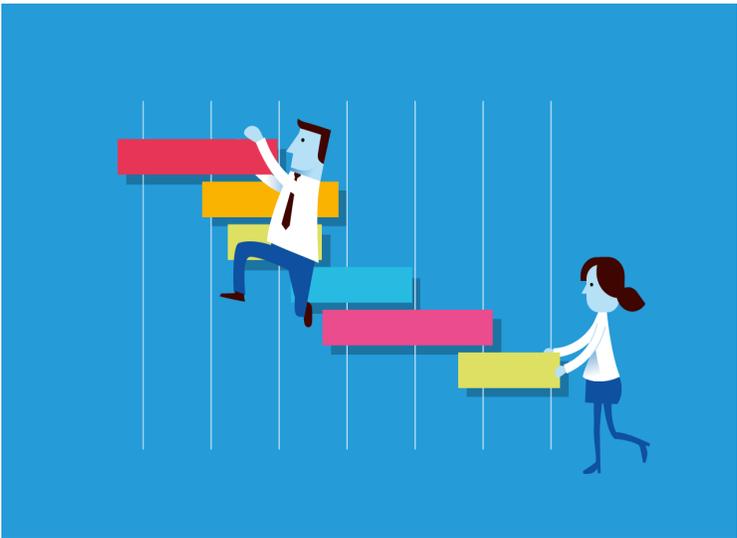

Mutoni has invested heavily in this sector and offers

a full turnkey service. Electrical works are predominantly for the private sector.

### **PROJECT MANAGEMENT:**

From budgeting and planning to implementation, we have found that this is an area where many construction companies lack the necessary expertise. Brick & Mortar Investments works closely with local companies, providing project management support and advice, thus building and strengthening capacity within a crucial area of the construction business.

## DESIGN AND DRAFTING SERVICES:

Brick & Mortar Investments produces layout designs and as-built diagrams for clients for a variety of construction projects, from floor-design drafting to road construction.

## STAFF:

We believe that our employees provide the most value to the company.

Brick and Mortar Investments Ltd operates on the team concept and our many skilled and experienced staff and field team members have established a standard of excellence that is well recognized in the construction industry.

Our office staff include highly trained and experienced business, engineering and technical experts who provide oversight and support for each project.

This team concept is the basis for our hands-on, pro-active approach which helps us to produce the most important results of every job to our client's satisfaction.

## Geographical Footprint

Brick & Mortar Investments Ltd is an African company with a growing global footprint, ensuring that it understands and works within the parameters of local conditions, managing all risks effectively; thus, giving clients peace of mind through quality delivery on time, whatever the challenges.

The Brick & Mortar Investments Ltd has the ability to swiftly redeploy resources between countries of operation to meet clients' requirements and to optimize all opportunities to suit stakeholder strategies.
